prayer

Loving God we acknowledge that we are blessed; in this land you have given us peace and freedom. In this country we have a society with a rich variety of people that have come from many lands. We thank you for the church in Australia. Inspire us to promote the unity of your church as we pray for all its congregations and its clergy. We pray for the Federal and State Governments of this country and for all in positions of authority. We pray that they may govern wisely and justly so that all may live in peace and safety.
